Trombone Lesson Plan

Objective:
By the end of the lesson the students will be playing Marry Ann with a good sound.

Procedure:
During Warm up:
    Do call and response with steps then jumps (Ex. Bb Eb F then Bb to F)
    Play the Bb major scale
Before playing the song and without instrument
    Say the notes in time
    Say the positions in time
With Instrument
    Say the notes while going to the position
Playing Song
    Play through once call and response
        I play first then they follow
    Play through together at the same time
    Have the students play together without me
Assessment
    Divide the measures up between the students two measures each.
    After have them all play together again.
Good Job Class!
