

## *Map of Destination Points: Manchester College*

- *There will be 3 or 4 groups. Each group or maybe two groups at the same time will be at a certain destination point that I (teacher) tell you. There will be a certain rotation so you know where to go next. You should be at each destination for about 10-12 minutes. I traced an easy pathway or route to go by from any destination point.*

*Cordier Auditorium*

*Science Center*

*Calvin Ulrey*

*Funderburg Library*

*When done meet on the Funderburg Library steps.  
Library is located right next to the science center.  
This picture is not part of the map.*
