

**Manchester College Teacher Education Program  
Student Teaching Goals**

**Student** Amanda Dennis                      **Date** 10/02/06

**GOAL SETTING FOR STUDENT TEACHING**

Identify 3-5 goals for your personal and professional development during student teaching. You will need to make 4 copies of these goals – one for your portfolio, one for your cooperating teacher, and one for your college supervisor for student teaching. Complete this form and bring it with you to your student teaching interview.

**GOAL 1:** I want to achieve better classroom management skills.

**GOAL 2:** I want to gain more self-confidence in my profession.

**GOAL 3:** I want to have a successful teaching experience.

**GOAL 4:** I want to learn ways to better accommodate students with disabilities in my classroom.
