

READ FOR THE RECORD

When: October 8, 2009 at 1:30 pm

Where: Manchester Elementary School

Goal: To raise awareness of the impact poverty has on reading.

Website: www.readfortherecord.org

This year readers will be reading either *The Hungry Caterpillar* or *A House for Hermit Crab*, and each child will be able to pick one of the two books to take home.

Please come and donate 20 minutes of your time to help a child. This volunteer opportunity is open to everyone, so tell your friends to come and join us in this wonderful experience.
