

Autism Speaks

Jessica Stiffler

The professional organization www.autismspeaks.org is a great source of information for anyone interested in learning about autism, or those who are interesting in helping those who suffer from autism. By visiting www.autismspeaks.org, one is able to participate in groups or donations to help fight for those with autism. If one is interested in autism, and ways to help, this is a great resource.

Audiences of www.autismspeaks.org

- Everyone involved with autism disorders such as parents, family, society and all individuals who want to make a difference.
- The website provides groups that individuals can join, information on what needs to be done and how to do it, and is very resourceful to all who take the time to view the website.
