

Dear Manchester University Student:

To prepare for the **Career Expo** on September 28<sup>th</sup>, from 4-5:30pm, please complete the Strong Interest Inventory online, no later than Monday, September 14<sup>th</sup>. This assessment will help you identify interests in relation to academic majors and career paths. To accomplish this, do the following:

1. You should take the Strong Inventory at a time and place that is quiet and relaxed, where you won't be disturbed. If you would like to use the Success Center computers, you are welcome to do so.
2. Go to <https://online.cpp.com>
3. Enter "**Takethestrong**" for client login, and "**OCSrocks**" for client password (these are case sensitive), then click the login button. You do not need to fill in a user ID unless you may need to interrupt answering questions and finish responding later. It is better if you take the inventory all at once without interruption.
4. Click the begin button next to "Strong Interest Inventory" and begin answering questions. No one answer will affect your results, so try to give the first answer that comes into your mind.
5. You should allow 30-45 minutes to complete this Strong Interest Inventory.
6. Please do not take the assessment more than once.

Once you have completed this online Strong inventory, your results will be sent to the Office of Career Services. Your individualized report will be provided by your faculty member the week of September 21.

We look forward to seeing you at the Career Expo!
