Scavenger Hunt (in the Purdue OWL)

The Purdue OWL (Online Writing Lab) is a free and widely-used writing resource. There are many good writing guides which you may use, but I will be referring to the OWL and so I would like you to spend a little time getting acquainted with how it is set up: thus this scavenger hunt. To begin, go to the OWL website at https://owl.english.purdue.edu/owl/

The following questions are answered with the "resource" number at the end of the URL of the relevant webpage. For instance, the URL for the first main page on "**Punctuation**" is:
https://owl.english.purdue.edu/owl/section/1/6/. The number to write would be "1/6".
Use the OWL's search function to find your answers (you might even take a little time to read the text).
