

Vocabulary Word Map

I. Vocabulary Word Map

A. Definition

1. This is the most important part of the map and is thus represented in the top left corner.
2. It should remain close to the definition provided by the vocabulary web.

B. Positive Attribute

1. Even the worst forms of government have qualities that are appealing or they would not even exist.
2. This challenges the students to understand why these forms may be preferred over their own.

C. Negative Attribute

1. This reinforces their view of the evils of many regimes.
2. It also allows them to question and criticize their own form of government.

D. Example in History

1. This will provide the student with a firm grasp on the form.
2. Examples also give these abstract terms some practicality.

E. Justification for this Activity

1. This activity encompasses all the students will need to know concerning these terms in my class.
2. It provides a solid framework for reinforcing their acquisition of these forms of government.
