

Name _____

Date _____

After-Reading *Sunflower House* worksheet

1. After clicking on “seed dispersal” and watching the different ways that seeds can be dispersed, find a part in the book that relates. How are the sunflower seeds dispersed in the book?
2. After clicking on seed growth and watching the way a seed grows with different amounts of water and sunlight, find the section in the book where the sunflowers are growing. Did the sunflowers have enough sun and water? What did the boy have to do to help them grow tall and strong?
