Oral Presentation Evaluation—Group Rubric

Name: David Hayden Teacher: Prof. Shipman
 Date: 3/11/11 Title of Presentation: L.D.

Criteria					Points
	1	2	3	4	
Organization CARE Objective R.4	Audience loses interest in presentation because there is no apparent plan of organization	Somewhat organized but audience has difficulty following some parts of presentation	Member presents information in logical sequence which audience can generally follow	Member presents information in a logical, interesting sequence which audience can follow	3
Content Knowledge CARE Objectives C.1, E.7	Member does not have grasp of information and cannot answer questions about subject	Member is somewhat comfortable with information but is only able to answer rudimentary questions	Member is at ease with content, but fails to elaborate	Member demonstrates full knowledge (more than required) with explanations and elaboration	3
Effective Teaching Strategies/Use of Communication Aids CARE Objectives E.1, E.2, E.3	Member does not utilize effective teaching strategies; communication aids are missing or detract from presentation	Member uses few effective teaching strategies; communication aids are missing or inappropriate	Member attempts to use effective teaching strategies; some material is supported by visual aids	Member uses teaching strategies and visual aids during presentation and differentiation activity that effectively enhance the message	4
Level of Audience Engagement CARE Objective C.1	Audience is not expected or encouraged to be engaged.	Audience is not expected or encouraged to be engaged most of the time	Audience is expected, but not encouraged to be engaged most of the time	Audience is <u>expected and encouraged</u> to be engaged throughout the activity	3
Delivery/ Professionalism CARE Objectives R.2, R.3, R.4	Member lacks confidence and/or speaks too quickly or too softly with little or no expression; does not do share of work	Audience has difficulty hearing presentation and/or group refers to notes too frequently. Work load may not be evenly shared.	Member is confident in his/her message but not poised/polished throughout presentation.; shares work load	Member is poised and professional, articulate, with good eye contact, and delivers presentation with confidence; uses only people-first language and shares responsibilities equitably	4
Total					17/17 = B

Teacher Comments:

Nice presentation style. You're very relaxed in front of class.
