This book is called *Fancy Nancy Poison Ivy Expert* by Jane O’Connor, Illustrated by Robin Preiss Glasser (cover) and Ted Enik (interior), published by HarperCollins for beginning readers, Grade 1.

This book is based on a young girl named Nancy who thinks she is a poison ivy expert. While knowing about poison ivy she uses big words to describe her ideas. While out picking flowers for her teachers she learns a tough lesson, because her entire body starts itching. She soon realizes that she has gotten poison ivy. After recovering from poison ivy she has learned a valuable lesson about what the plant really looks like. Now, she is really a poison ivy expert, and she can help others learn about it too.

**Knowledge**
Can you tell why Nancy got red itchy bumps all over her entire body?
- This is a knowledge question because it is asking what big event happened in the story for why she got poison ivy.

**Comprehension**
Draw a picture of what a bouquet might look like.
- This is comprehension to check to see if they understand what bouquet means, and what they interpret it to look like.

**Application**
Could this have happened if you were playing outside in the woods with friends?
- This is application to apply it to real life, it could happen to anyone, and did they learn that concept.

**Analysis**
Can you distinguish between what poison ivy looks like in the summer and in the fall?
- Did they learn what the difference is between poison ivy in the summer and in the fall, because they look different.

**Synthesis**
What would happen if you got poison ivy? What would you do?
- Did they learn from reading the book to ask an adult to help them, and to stay away from others so its not contagious.
Evaluation
Do you think Nancy handled her poison ivy well? Do you think it was a good thing that she wrote about her experience in her journal, so she could tell others about how to avoid poison ivy?
• This would be a good question to see if they learned anything from reading the book, like how to avoid getting poison ivy in the first place.
