1. What have I learned in Music so far this year? (Mc3)

2. What is my favorite thing in Music?

3. Why? 

1. How to make notes, how to play instruments, How to make rhythm. Branche
G-R3

2. Playing the Auto Harp.

3. Because it's like playing guitar.

1. What have I learned in Music so far this year? Melanie (44)

2. What is my favorite thing in Music?

3. Why? 

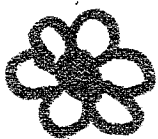

1. What I have learned in music so far this year is, I learned how to play the auto harp, glöckenspiel, metallophone and I learned how to draw the treble clef.

Very good!

2. My favorite thing in music is singing! Also I like doing the shaving cream and playing with the pipes.

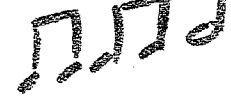

Boomwhackers?

3. I like that because I love to sing. And I like playing in gooy stuff. But my favorite part was playing the pipes because they were fun and challing at the same time.

Majinae 

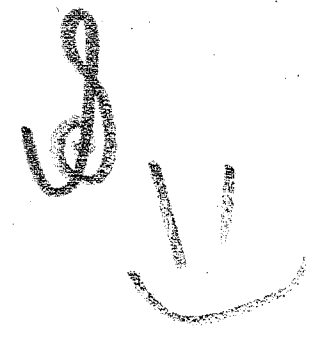

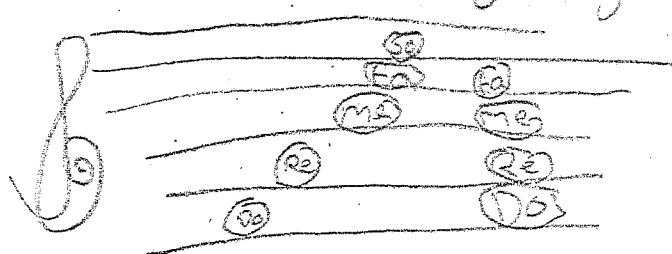

2. My favorite thing in music is the Beat.

Because it will bring you into the song and make you Dance and Sing to it.

1. I learned notes and different songs in different languages.

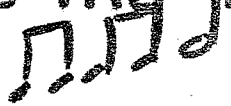

Thank you Mrs. Hill and Miss Hughes!!!

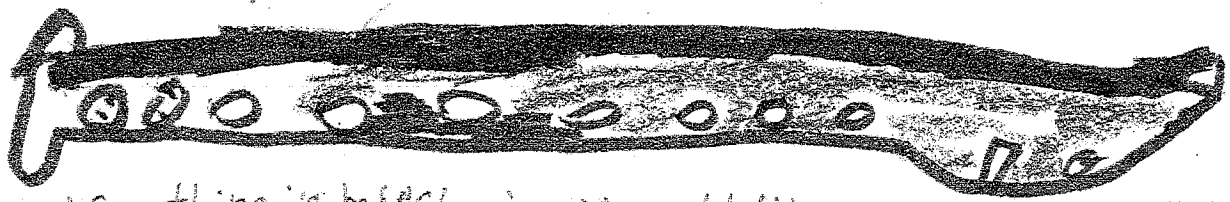

1. What have I learned in Music so far this year?

2. What is my favorite thing in Music?

3. Why? 

I have learned about Recorders and how to use them and I never knew there was such thing as a Recorder. I have also learned about half notes, whole notes, Repeat signs, Double bar lines, measures, Starts, and metronomes.

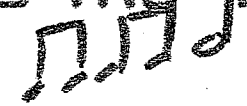

2. My favorite thing in music is Mrs. Hill and Miss Hughes. I really love recorders.

3. Because it is really neat and music is awesome.

1. What have I learned in Music so far this year?

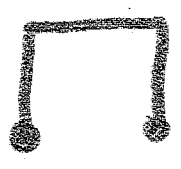

2. What is my favorite thing in Music?

3. Why? 

This year so far

I've learned about 8th notes quarter notes half notes triplet notes and last but not least 16th notes. I've also learned about recorders Mrs. Hill and Miss Hughes have taught me well (so far).

My favorite thing in music was the shaving cream and Auto harp. Because they were fun. ~~and~~ The auto harp helped me learn

MUSIC

Rocks!!!

Oh yeah
