

Manchester College
Education Department

Wednesday, October 27
8:30 a.m. to 11:50 a.m.
upper College Union

**Putting the
Pieces Together**
The ABCs of Autism

A pre-professional workshop for MC teacher candidates and area educators committed to learning more about children with autism

Featuring:

- **Keynote: Autism 101**
- **How to create social stories for children with autism**
- **Inside the families panel discussion**

Manchester College

For more information, contact
Bonnie Shipman: 260-982-5261
bcshipman@manchester.edu

Specifically for Manchester Education students, the workshop contributes to the understanding of the following CARE Objectives:

- ◆ R1 Demonstrates sensitivity for diversity . .
- ◆ R3 Values lifelong learning and professional development
- ◆ E1 Differentiates learning opportunities
- ◆ E7 Engages in research and reflection on best practices
