Please add additional comments/ suggestions/ information that we should know about this candidate and/or this field experience and its requirements. Feel free to write on the back of this form, or to attach additional information.

Miss Kipfer was very professional, and did an excellent job working with small groups all week. She was helpful and willing to assist in any situation. She was flexible and adjusted to our constantly changing schedule. She worked successfully with special needs students, including a student with autism. Miss Kipfer also taught a math lesson by herself. She did a great job! Fractions are tough!
